

BACHELOR OF SCIENCE IN ALLIED HEALTH DIAGNOSTIC MEDICAL SONOGRAPHY

DESCRIPTION:

The partnership between Widener and Crozer-Keystone Health System allows students to receive Widener University credit for all courses and clinicals, which must be taken and completed in consecutive semesters at Crozer and its affiliates. Students can either complete the general education requirements at Widener prior to entering the program or transfer up to 61 credits toward the Bachelor of Science in Allied Health

Please visit the [Academic Catalog](#), [Widener University website](#), and/or [Crozer Health website](#) for more information.

PROGRAM HIGHLIGHTS:

- The Widener-Crozer Diagnostic Medical Sonography Program is accredited by the Commission on Accreditation of Allied Health Education Programs upon the recommendation of the Joint Review Committee on Education in Diagnostic Medical Sonography. Upon completion, students will have the opportunity to be certified in Abdominal – Extended, and Obstetrics and Gynecology (OB-GYN).
- Program core courses and clinical instruction runs full-time, year-round for 20 consecutive months. Students will log more than 1,600 clinical hours and gain hands-on experience from the start with clinical rotations.
- Generally, students will meet from 8:00 am to 4:00 pm, with exceptions pertaining to evening clinical rotations towards the end of the program and occasional morning exams.
- The clinical cohorts begin every September and January, and applications are reviewed on a rolling basis.
- The program has existing partnerships with Bloomsburg University, Immaculata University, Gwynedd Mercy University and Indiana University of Pennsylvania.
